The United Nations Development Programme, in partnership with Asia's Banyan Tree Group, is working to rebuild homes and buildings in the Maldives.

deliver the funds to three orphanages.

SPA INDUSTRY STEPS UP FOR TSUNAMI RELIEF With an estimated \$3 billion's worth of damage in the Indonesian provinces of Aceh and North Sumatra alone, according to Knight Ridder News Service, people around the world are responding to the devastation caused by December's disastrous tsunami. The spa industry is also doing its part; here are just a few that have contributed.

Body Bistro allocated all of its net profits from January through March online sales or until sales reached \$100,000. Founder and president Carina Chatlani plans to travel to India and Sri Lanka to
